

NAME : Ernie Sparks

ADDRESS : 2289 Pawnee Dr.

PHONE NO : 740-837-1748

EMAIL: esparx@gmail.com

EMPLOYER : Ernie's Pharmacy

POSITION: Pharmacist, Owner

I am Ernie Sparks and I am asking for your support for the Choctaw Lake Board of Trustees. I became a resident of this amazing community in 1967. I was married to my wife Libby, a cardiovascular genetics specialist for John Hopkins University, for 36 years. Together, we raised our son Nick, who now resides in New Orleans as a physics professor at Tulane University. We lost Libby in the spring of 2017. This community is our family. I want to be an active part of ensuring our neighborhood's progressions into the future while maintaining the values, traditions and history that makes this community so extraordinary. I am the owner of Ernie's Pharmacy in London. I see many of the residents of Choctaw often and am lucky enough to know you as more than just customers, but as my friends. My professional accreditations are as follows:

- Owner of Ernie's Pharmacy (opened December 5, 1988)
- Lake Choctaw lifetime booster club membership
- Lake Choctaw Tecumseh award recipient
- Philanthropic sponsor of many community activities (16 year sponsor of the fishing tournament, 4th of July fireworks, 2018 summer concert series, etc)
- Prior CLPOA board member
- Prior Lake Choctaw Utilities Board member
- Somerford Township Trustee since 1997
- Current project focused on the construction of the EMS & Fire Department at the Somerford township hall. Completion is projected to reduce homeowners insurance ratings for all residents which will result in significant savings for the citizens of Choctaw lake and Somerford township plus increase property value.
- Graduate of The Ohio State University, College of Pharmacy
- Member of The Ohio State University board of governors for the College of Pharmacy
- Eagle Scout
- Member of Madison County Emergency Medical District
- Past president of London Public Library
- Proud owner of the Tiki Boat :)

As a business owner and dedicated citizen, I am invested to my core in this wonderful community. I have the history, knowledge and dedication to lead this community into a successful future. I ask for your voting support for me, Ernie Sparks, for the Choctaw Lake Board of Trustees so that I may continue work with my fellow neighbors to preserve this amazing place we all call home.
