Steve Grapp

Phone number *

unlisted

Are you now or have you ever before served on the Choctaw Lake Board of Trustees? *

Current member of BOT

Former member BOT

Never before served on BOT

Why did you decide to run for a seat on the Board of Trustees for this election cycle?

During my current term, I have served the CLPOA community to ensure the rebuilding of the Choctaw Utilities Water Plant and the ongoing efforts to move Choctaw Utilities to a not-for-profit entity that exclusively serves Choctaw Lake. This is my primary reason for running for the Board of Trustees. I seek to ensure the CU efforts stay the course to ensure a continuous and ongoing positive benefit for the CLPOA community, exclusively and economically effectively.

What particular experience do you bring to the Board of Trustees that will be helpful?

As a current CLPOA Board Trustee, I was nominated and unanimously elected as the CLPOA Secretary by the other Board of Trustee (BoT) members for the past three years. I also served as Secretary during previous tenures on the BoT. I have years of practical applied experience and knowledge of public and private business policy and regulations, to include Federal CFR, Ohio Revised Code and Ohio Administrative Code. I have nineteen years working knowledge of our CLPOA Deed Restrictions, Constitution, Rules and Regulations and Building Code.

I have been honored to receive State of Ohio commendations and awards to include the Governor's recognition of achievement for saving the State millions through digital transformation.

Is there one particular issue that our community is facing now, or will face in the next 2 years, that is of particular concern or interest to you? If yes, please describe and share how you would resolve or enhance this issue.

The CLPOA, as a business, has duties outlined in the Constitution that require the Board of Trustees to ensure the functional operation of the CLPOA and Choctaw Utilities. I seek to ensure the CU efforts stay the course to ensure a continuous and ongoing positive benefit for the CLPOA community only. As a next term CLPOA Trustee, I intend to continue to provide unbiased service for the community without regard to personal agenda or gain.

What is your vision for our community over the next 3 years?

The CLPOA must continue as a fiscally sober organization while providing maximum benefit to the residents who call Choctaw Lake their home community. Consistent and erstwhile attention to the status of the Lake, with regard to dam stability, water quality and a sustainable standard of living for all residents is, in my opinion, paramount.
